

Company Overview:

Founded in 2010, the Estate Plan Store® provides seven-part estate plans to Arizona residents who are at least 18 years old. Each plan includes:

- Last Will and Testament
- Living Will
- Springing General Power of Attorney
- Durable Medical Power of Attorney
- Durable Mental Health Care Power of Attorney
- HIPAA (Health Insurance Portability and Accountability Act) Authorization
- Funeral and Burial Instructions Packages start at \$495, which is a fraction of the price if acquired traditionally through a law firm. All customers reap the same legal benefits found at established law firms, yet they gain the added convenience and lower costs of an online store.

The Process:

The estate planning process can be completed online, in-person or via mail, depending on the customer's needs, comfort level and budget. As a first step, customers fill out a comprehensive questionnaire containing the information needed to develop the plan. Phone and in-person support is available.

Completed estate plans will be ready to pick up and sign within 10 days of submitting the questionnaire. All legal documents are created by experienced estate planning attorneys, and each plan is individually prepared under the supervision of certified legal document preparers. The Estate Plan Store® will contact customers if clarification or changes are needed. Additional services, such as expedited or on-site delivery, are also available.
